INCIDENT NARRATIVE	(The facts for probable cause to arrest AND to substantiate the charges include, but are not limited to, the following) Event#2015305312. Arrestee in custody for attempt theft and criminal damage to property. In summary, beat 3219 was working foot detail pursuant to civil unrest and looting in the area when they observed Arrestee wrap a chain around a Bank of America automatic teller machine. The other end of the chain was attached to the rear of a white panel van. Beat 3219 approached Arrestee and gave him verbal direction to stop. Arrestee looked in the direction of beat 3219 and then quickly got into the white van and drove off with the chain still attached to the ATM. The chain broke free of the ATM causing damage and was then dragging behind the van as it fled W/B from that location. Beat 3219 gave a flash message over radio zone 12 and beat 2541 observed the van fleeing and began to follow the van activating emergency equipment. Beat 2541 followed the vehicle to the area of Fullerton and Lamon when 2541 decided to terminate pursuant to department policy. A/O then observed the vehicle on Fullerton turn N/B on Lavergne and followed the vehicle to above listed address. The vehicle then pulled over and Arrestee exited the driver seat, put his hands in the air and stated that he gives up. Arrestee apologized and stated that he had just done something stupid. Arrestee was detained and relocated back to Bank of America where beat 3219 positively identified him. Arrestee was placed under arrest and transported to the 25th District for processing. Name check clear. Prisoner personal property INV# 14713342. Area north detective McCormack #21388 notified.
