NARRATIVE	<p>COPLOGIC REPORT - Incident Description by Non-Offender - Documenting the incidents of Chicago protests/riots on May 30, 2020, I left an uber headed westbound on Lake Street near the intersection of Clark and Lake. Walking westbound I noticed looting at the 7/11 located at 200 N Dearborn. I knelt down, removed my camera bag from my back, placed it on the ground, removed my camera with lens attached and flash unattached, placed a separate camera into my bag, and as zipped my bag a white male wearing all black, respirator mask, and a black hood walked past me and ran off with my camera and flash heading westbound on Lake Street. I finished zipping up my back pack, securing my other equipment, placed my bag on my back, and looked around to pursue the person and see if there was anyone else targeting me, but did not see the person who stole my camera. Given the events of the day I told a police officer I saw and he suggested that I file a report online due to the protests and riots.</p>
