Narrative

Investigators were assigned to process the scene of a Police Involved Fatal Shooting in the alley of 2356 S. Sawyer Ave. with the subject on scene at the time Investigators arrived. Area Four Detective Division Sgt. R. Egan # 998 walked Investigators through the two scenes, IRT Sgt. T. Flaherty # 1732 asked Investigators to please videotape and photograph the scene so subject could be removed "due to a safety issue" which was done. Investigators had no contact with Det. J. Braun # 20810 on scene or Area Four. IRT Det. D. Stover # 21337 and Det. T. Murphy # 21293 were on scene with Investigators. The scene was videotaped and photographed by Investigators, the Medical Examiner Aide Johnson # 73 arrived on scene and took photographs. Allied body removal service arrived and removed the subject to the Cook County Morgue. Investigators then took electronic measurements of the scene and surrounding area using the black latex gloves that were next to the body of the subject as a reference point. Investigators then collected the evidence from both scenes with COPA C. Harris # 114 and Det T. Murphy present. Investigators recovered the above firearm in slidelock and put into a gun box and displayed it to CPD P.O. Weisinger, COPA Harris and IRT Murphy to view and recover the firearm information from it. Investigators learned that there was a "Shot Spotter Alert" of 8 rounds, Investigators searched for an additional cartridge (9mm) case around markers 1-7 with a plastic rake to no avail. Investigators then went to Area Four Detective Division to recover P.O. E. Stillman # 19277 weapon (08:10hrs) with streamlight and photograph both officers working 1065b. Investigators then returned to Unit # 177 and swabbed the subjects weapon and took additional photographs of it. Investigators then inventoried the above evidence, wrote this report and drew a plat of the scene.
