On Tuesday, January 22, 2019 at approximately 2:30 P.M., reported under Chicago Police Record number [REDACTED] victim Jussie SMOLLETT, Male, Black, 36 years of age, at the location of [REDACTED] Chicago, Cook County, IL, received a written letter containing threats directed toward victim Jussie SMOLLETT. According to the victim, Jussie SMOLLETT, an unknown white powdery substance was found on the letter along with cut out letters pieced together which stated "Smollett Jussie you will die black fag" and "MAGA," which was hand written on the envelope.

On Saturday, January 26, 2019 at an unknown time, victim Jussie SMOLLETT received a phone call from an unidentified phone number in which an unidentified male caller stated, "Hey you little Faggot," at which point the call ended. A search of Chicago Police databases was negative for a Chicago Police record number.

On January 29, 2019, at approximately 2:00 A.M., victim Jussie SMOLLETT was physically battered [REDACTED] which was reported under Chicago Police Record number [REDACTED] Jussie SMOLLETT initially refused medical attention, but eventually was driven by [REDACTED] to Northwestern Hospital for treatment. During the investigation of the Aggravated Battery/On The Public Way of victim Jussie SMOLLETT, investigators learned the following;

On January 29, 2019 Chicago Police responded to [REDACTED] for the report of a battery. Upon arrival, Chicago Police Officers learned that Jussie SMOLLETT had been battered about his body. Investigators were able to recover a rope that was around Jussie SMOLLETT's neck and it is currently at the FBI crime lab. The lab is testing the letter and the rope to see if there is any DNA that can be recovered.

The investigation revealed the Jussie SMOLLETT lived at [REDACTED] Furthermore, Jussie SMOLLETT had flown into Chicago O'Hare International Airport from New York on January 29, 2019 and arrived at approximately 12:30A.M. Investigators learned that Jussie SMOLLETT was then driven by [REDACTED] from O'Hare International Airport to his home at [REDACTED] and arrived at approximately 1:30 A.M. in communication via his cell phone with [REDACTED]

Investigators learned Jussie SMOLLETT stated that, while returning home from Subway, he was communicating on his cell phone with [REDACTED] when he was approached by two unknown male subjects dressed in dark clothing. One of the unknown subjects gained Jussie SMOLLETT's attention by saying, "Empire faggot Empire nigger." Both unknown male subjects then began to batter Jussie SMOLLETT about his face with their hands. The unknown subjects then poured a substance now believed to be bleach, onto Jussie SMOLLETT's head area and placed a white rope around his neck. The two unknown male subjects then fled on foot southbound on New St. towards the Chicago River and towards the pub named Lizzy McNeill's, located at 400 N. McClurg Ct. Jussie SMOLLETT subsequently returned home and the Chicago Police were contacted approximately twenty-five (25) minutes later at approximately 2:27 AM.

During this portion of the investigation, video evidence has been recovered from several locations to include, but not limited to, residential, commercial, and Chicago Police Observation Devices (POD). Since these videos are from different sources, the time stamps are approximate and individual video recordings may not be synchronized.

Investigators learned that on January 29, 2019 at approximately 1:03 A.M., two individuals initiated an Uber ride at [REDACTED]. A dark colored Toyota Highlander Uber vehicle then brought these subjects to the 1400 block of North Wells St. where the ride terminated. This information was obtained by a subpoena return from Uber. The account used to order and pay for the UBER ride is registered to [REDACTED]. With a phone number of [REDACTED]. The driver of the Uber vehicle stated that one of the subjects was using his mobile device during the cab ride.

Investigators learned, from video evidence, that the two subjects exited the Uber vehicle and hailed an approaching "Sun Taxi Cab" #904 at the intersection of Schiller St. and Wells St. The two individuals entered the cab and requested to be taken to Illinois St. and Lake Shore Dr., where the vehicle arrived at approximately 1:25A.M. This information was verified by video evidence recovered from "Sun Taxi Cab" #904.

From approximately 1:25A.M. until approximately 2:03A.M., video evidence showed these same two individuals on foot in an area bordered by Lake Shore Dr. on the east, Columbus Drive on the west, Illinois St to the north, and the Chicago River to the south.

At approximately 2:04 A.M., on January 29, 2019, the two individuals battered Mr. SMOLLETT, which was just

outside the view of a nearby camera. Approximately one minute later, video evidence showed the same two individuals run from the location, southbound toward the Chicago River, past the Chicago Burger Company, located at 301 E. North Water St. and westbound toward Columbus Dr. Video evidence subsequently captured these same individuals enter "Yellow Cab Company" Taxi #1394 at the Hyatt Regency Hotel, located at 151 E. Wacker Dr. at 02:10 A.M.

Investigators obtained information from the "Yellow Cab Company," which stated the ride originated at the Hyatt Regency Hotel and terminated in the 3600 block of N. Marshfield Ave. at 02:25A.M, two minutes before Mr. SMOLLETT'S [REDACTED] called 911 on Mr. SMOLLETT'S behalf to report the crime. The driver of the Yellow Cab stated that one of the subjects was using his mobile device during the cab ride. Video evidence then showed these individuals exit the taxi cab in the 3600 block of North Marshfield Ave., and walk northbound on the west sidewalk out of camera view toward Grace Ave. The intersection of Grace Ave. and Marshfield Ave. is only a few blocks south from the original Uber pick up location.

Further investigation showed that [REDACTED] Jussie SMOLLETT is an actor who plays a character on that TV show. A photo of [REDACTED] was obtained from UBER as well as his driver's license. The photo of [REDACTED] strongly resembles one of the subjects that were seen on the Sun Taxi video. [REDACTED] strongly resembles the other subject in the Sun Taxi. A search of the Youtube.com internet channel under the name of Team Abel revealed a video posted on January 18, 2019 titled "Getting to Know 'Rock' BMF" #BMFCASTING of [REDACTED] wherein [REDACTED] makes claims that he was involved in several projects [REDACTED]

Investigators served a search warrant, 19SW4819, on Jussie SMOLLETT's phones [REDACTED]. [REDACTED] The returns from that search warrant revealed that SMOLLETT had approximately 20 phone calls between himself and [REDACTED] from January 14, 2019 through January 30, 2019. As far as the day of the battery, on January 29, 2019 at 12:49 AM [REDACTED] phone number ending in [REDACTED] called SMOLLETT's phone number ending in [REDACTED] and the duration of the call was 3 minutes and 2 seconds. This was approximately 19 minutes after Smollett's plane landed in Chicago and just minutes before [REDACTED] ordered the UBER to set off for the crime scene. On January 29, 2019 at 7:45 PM, just less than 18 hours following the battery, SMOLLETT's phone number ending in [REDACTED] called [REDACTED] phone number ending in [REDACTED] and the duration of the call was 5 seconds. Two minutes later, [REDACTED] phone number ending in [REDACTED] called SMOLLETT'S phone number ending in [REDACTED] and the duration of the call was 1 minute and 34 seconds. Investigators were able to determine that both [REDACTED] and [REDACTED] flew out of the country to Nigeria later on the evening of January 29th, 2019, which is the same day as the attack on Mr. Smollett.

On January 30, 2019 at 10:46 AM, SMOLLET's phone number ending in [REDACTED] called [REDACTED] phone number ending in [REDACTED] and the duration of the call lasted 8 minutes and 48 seconds.

On February 13, 2019, [REDACTED] and [REDACTED] returned from Nigeria, landing in Chicago O'Hare International Airport, wherein they were detained by US Customs. Members of the Chicago Police Department then placed them into custody.

Investigators then executed search warrant #19SW4998 on February 13, 2019, on the residence of [REDACTED] at [REDACTED]. During the execution of the warrant investigators conducted a systematic search of the residence in which items of clothing were recovered that may have been used during the commission of the incident on January 29, 2019. Also recovered was a script for [REDACTED] which details that an actor by the name of [REDACTED] is a [REDACTED] for the date of January 22, 2019. This is the same date that the suspicious letter that is referenced above arrived [REDACTED]. Also recovered from the residence was a Payroll Department Standard Non-Union Voucher slip for [REDACTED] DOB: [REDACTED] 05; Phone: [REDACTED] dated January 23, 2019. [REDACTED] was listed as a "Stand In [REDACTED] A further review of the script also indicates that there is a scene which takes place with the character Kai interacting with Jussie SMOLLETT'S character Jamal Lyon.

In addition to the above listed evidence recovered from the residence, Officers also located a **Gunvault brand black safe with a finger combination** in a bedroom closet. From this same bedroom, Officers recovered a wallet containing the Illinois Driver's License of [REDACTED] and several stamps which appeared to match the style of stamp affixed to the letter received by Jussie SMOLLETT on January 22, 2019.

Based on the above information there is probable cause to believe that the safe may contain further evidence of the crime described herein.

On January 29, 2019, at approximately 2:00 A.M., victim Jussie SMOLLETT was physically battered on the public way at 341 E. Lower North Water St., Chicago, IL. 60611 which was reported under Chicago Police Record number JC133190. Jussie SMOLLETT initially refused medical attention, but eventually was driven by [redacted] to Northwestern Hospital for treatment. During the investigation of the Aggravated Battery/On The Public Way of victim Jussie SMOLLETT, investigators learned the following;

On January 29, 2019 Chicago Police responded to [redacted] for the report of a battery. Upon arrival, Chicago Police Officers learned that Jussie SMOLLETT had been battered about his body.

The investigation revealed the Jussie SMOLLETT lived at [redacted]. Furthermore, Jussie SMOLLETT had flown into Chicago O'Hare International Airport from New York on January 29, 2019 and arrived at approximately 12:30 A.M. Investigators learned that Jussie SMOLLETT was then driven by [redacted] from O'Hare International Airport to his home at [redacted] and arrived at approximately 1:30 A.M. Investigators learned that Jussie SMOLLETT was hungry and walked by himself to Subway, located at 511 N. McClurg Court and ordered food. While on the way to Subway, Jussie SMOLLETT was in communication via his cell phone with [redacted].

Investigators learned Jussie SMOLLETT stated that, while returning home from Subway, he was communicating on his cell phone with [redacted] when he was approached by two unknown male subjects dressed in dark clothing. One of the unknown subjects gained Jussie SMOLLETT's attention by saying, "Empire faggot Empire nigger." Both unknown male subjects then began to batter Jussie SMOLLETT about his face with their hands. The unknown subjects then poured a substance now believed to be bleach, onto Jussie SMOLLETT's head area and placed a white rope

around his neck. The two unknown male subjects then fled on foot southbound on New St. towards the Chicago River and towards the pub named Lizzy McNeill's, located at 400 N. McClurg Ct. Jussie SMOLLET subsequently returned home and the Chicago Police were contacted approximately twenty-five (25) minutes later at approximately 2:27 AM.

During this portion of the investigation, video evidence has been recovered from several locations to include, but not limited to, residential, commercial, and Chicago Police Observation Devices (POD). Since these videos are from different sources, the time stamps are approximate and individual video recordings may not be synchronized.

Investigators learned that on January 29, 2019 at approximately 1:03 A.M., two individuals initiated an Uber ride at [redacted]. A dark colored Toyota Highlander Uber vehicle then brought these subjects to the 1400 block of North Wells St. where the ride terminated. This information was obtained by a subpoena return from Uber. The account used to order and pay for the UBER ride is registered to [redacted] of [redacted]. With a phone number of [redacted]. The driver of the Uber vehicle stated that one of the subjects was using his mobile device during the cab ride.

Investigators learned, from video evidence, that the two subjects exited the Uber vehicle and hailed an approaching "Sun Taxi Cab" #904 at the intersection of Schiller St. and Wells St. The two individuals entered the cab and requested to be taken to Illinois St. and Lake Shore Dr., where the vehicle arrived at approximately 1:25A.M. This information was verified by video evidence recovered from "Sun Taxi Cab" #904.

From approximately 1:25A.M. until approximately 2:03A.M., video evidence showed these same two individuals on foot in an area bordered by Lake Shore Dr. on the east, Columbus Drive on the west, Illinois St to the north, and the Chicago River to the south.

At approximately 2:04 A.M., on January 29, 2019, the two individuals battered Mr. SMOLLETT, which was just outside the view of a nearby camera. Approximately one minute later, video evidence showed the same two individuals run from the location, southbound toward the Chicago River, past the Chicago Burger Company, located at 301 E. North Water St. and westbound toward Columbus Dr. Video evidence [redacted]

subsequently captured these same individuals enter "Yellow Cab Company" Taxi #1394 at the Hyatt Regency Hotel, located at 151 E. Wacker Dr. at 02:10 A.M.

Investigators obtained information from the "Yellow Cab Company," which stated the ride originated at the Hyatt Regency Hotel and terminated in the 3600 block of N. Marshfield Ave. at 02:25 A.M, two minutes before Mr. SMOLLETT's [redacted] called 911 on Mr. SMOLLETT'S behalf to report the crime. The driver of the Yellow Cab stated that one of the subjects was using his mobile device during the cab ride. Video evidence then showed these individuals exit the taxi cab in the 3600 block of North Marshfield Ave., and walk northbound on the west sidewalk out of camera view toward Grace Ave. The intersection of Grace Ave. and Marshfield Ave. is only a few blocks south from the original Uber pick up location.

Further investigation showed that [redacted] Jussie SMOLLETT is an actor who plays a character on that TV show. A photo of [redacted] was obtained from UBER as well as his driver's license. Investigators served a search warrant, 19SW4819, on Jussie SMOLLETT's phones [redacted]. The returns from that search warrant revealed that SMOLLETT had approximately 20 phone calls between himself and [redacted] from January 14, 2019 through January 30, 2019. As far as the day of the battery, on January 29, 2019 at 12:49 AM, [redacted] phone number ending in [redacted] called SMOLLETT's phone number ending in [redacted] and the duration of the call was 3 minutes and 2 seconds. This was approximately 19 minutes after Smollett's plane landed in Chicago and just minutes before [redacted] ordered the UBER to set off for the crime scene. On January 29, 2019 at 7:45 PM, just less than 18 hours following the battery, SMOLLETT's phone number ending in [redacted] called [redacted] s phone number ending in [redacted] and the duration of the call was 5 seconds. Based on the above facts, your Affiant has reason to believe that the seized cellular phones may contain records of calls made and received, text messages sent and received, and memory of numbers dialed and other evidence that show violation of the Illinois Compiled Statutes Chapter 720 ILCS 5 Section 12-3.05 (C) and asks this Honorable Court to issue this search warrant.

Based on my knowledge, experience, and training, I know that searching and seizing information from cellular phones often requires the cellular phones to be searched later by a qualified computer expert in a laboratory or other controlled environment. This is true because of the following:

Technical requirements. Searching digital evidence including cellular phones for criminal evidence is a highly technical process requiring special skills and equipment and a properly controlled environment. The vast array of computer hardware and software available requires even computer forensic examiners to specialize in some systems and applications, so it is difficult to know before a search which forensic examiner is qualified to analyze the system and its data. Furthermore, however, data search protocols are exacting scientific procedures designed to protect the integrity of the evidence and to recover even "hidden," erased, compressed, password protected, or encrypted files. Since digital evidence can be vulnerable to modification or destruction, (both from external sources or from destructive code embedded in the system as a booby trap), a controlled environment helps ensure complete and accurate recovery of evidence.

examiner is qualified to analyze the system and its data. Furthermore, however, data search protocols are exacting scientific procedures designed to protect the integrity of the evidence and to recover even "hidden," erased, compressed, password protected, or encrypted files. Since digital evidence can be vulnerable to modification or destruction, (both from external sources or from destructive code embedded in the system as a booby trap), a controlled environment helps ensure complete and accurate analysis.

Furthermore, in my experience, and from my conversations with computer forensic examiners, cellular phone evidence can remain stored on these devices for extended periods of time. Even when digital evidence is deleted it may still be recovered from cellular phones. This information can often be recovered by a computer forensic examiner and is likely to have been generated by and remain on any computer used in this scheme.

Based on my training, experience, and investigation of this case, your Affiant believes that there is probable cause to believe that there is evidence contained within **Iphone 7+ Model: NNQR2LL/A** and seek your authorization to search therefore, and to obtain the assistance of forensic examiners or experts, as necessary.

SMOLLET subsequently returned home and the Chicago Police were contacted approximately twenty-five (25) minutes later at approximately 2:27 AM.

During this portion of the investigation, video evidence has been recovered from several locations to include, but not limited to, residential, commercial, and Chicago Police Observation Devices (POD). Since these videos are from different sources, the time stamps are approximate and individual video recordings may not be synchronized.

SMOLLET

Investigators learned that on January 29, 2019 at approximately 1:03 A.M., two individuals initiated an Uber ride at [redacted]. A dark colored Toyota Highlander Uber vehicle then brought these subjects to the 1400 block of North Wells St. where the ride terminated. This information was obtained by a subpoena return from Uber. The account used to order and pay for the UBER ride is registered to [redacted] of [redacted]. With a phone number of [redacted] the driver of the Uber vehicle stated that one of the subjects was using his mobile device during the cab ride.

SMOLLET

Investigators learned, from video evidence, that the two subjects exited the Uber vehicle and hailed an approaching "Sun Taxi Cab" #904 at the intersection of Schiller St. and Wells St. The two individuals entered the cab and requested to be taken to Illinois St. and Lake Shore Dr., where the vehicle arrived at approximately 1:25A.M. This information was verified by video evidence recovered from "Sun Taxi Cab" #904.

From approximately 1:25A.M. until approximately 2:03A.M., video evidence showed these same two individuals on foot in an area bordered by Lake Shore Dr. on the east, Columbus Drive on the west, Illinois St to the north, and the Chicago River to the south.

At approximately 2:04 A.M., on January 29, 2019, the two individuals battered Mr. SMOLLETT, which was just outside the view of a nearby camera. Approximately one minute later, video evidence showed the same two individuals run from the location, southbound toward the Chicago River, past the Chicago Burger Company, located at 301 E. North Water St. and westbound toward Columbus Dr. Video evidence subsequently captured these same individuals enter "Yellow Cab Company" Taxi #1394 at the Hyatt Regency Hotel, located at 151 E. Wacker Dr. at 02:10 A.M.

Investigators obtained information from the "Yellow Cab Company," which stated the ride originated at the Hyatt Regency Hotel and terminated in the 3600 block of N. Marshfield Ave. at 02:25A.M, two minutes before Mr. SMOLLETT'S Creative Manager Frank GASTON called 911 on Mr. SMOLLETT'S behalf to report the crime. The driver of the Yellow Cab stated that one of the subjects was using his mobile device during the cab ride. Video evidence then showed these individuals exit the taxi cab in the 3600 block of North Marshfield Ave., and walk northbound on the west sidewalk out of camera view toward Grace Ave. The intersection of Grace Ave. and Marshfield Ave. is only a few blocks south from the original Uber pickup location.

Further investigation showed that [REDACTED] Jussie SMOLLETT is an actor who plays a character on that TV show. A photo of [REDACTED] was obtained from UBER as well as his driver's license. The photo of [REDACTED] resembles one of the subjects that were seen on the Sun Taxi video. [REDACTED] strongly resembles the other subject in the Sun Taxi internet channel under the name [REDACTED]

FROM 51:57

Investigators served a search warrant, 19SW4819, on Jussie SMOLLETT'S phones; [REDACTED] # [REDACTED]. The returns from that search warrant revealed that SMOLLETT had approximately 20 phone calls between himself and [REDACTED] from January 14, 2019 through January 30, 2019. As far as the day of the battery, on January 29, 2019 at 12:49 AM, [REDACTED] phone number ending in [REDACTED] called SMOLLETT'S phone number ending in [REDACTED] and the duration of the call was 3 minutes and 2 seconds. This was approximately 19 minutes after Smollett's plane landed in Chicago and just minutes before [REDACTED] ordered the UBER to set off for the crime scene. On January 29, 2019 at 7:45 PM, just less than 18 hours following the battery, SMOLLETT'S phone number ending in [REDACTED] called [REDACTED] phone number ending in [REDACTED] and the duration of the call was 5 seconds. Two minutes later, [REDACTED] phone number ending in [REDACTED] called SMOLLETT'S phone number ending in [REDACTED] and the duration of the call was 1 minute and 34 seconds. Based on the above facts, your Affiant has reason to believe that the seized cellular phones may contain records of calls made and received, text messages sent and received, and memory of numbers dialed and other evidence that show violation of the Illinois Compiled Statutes Chapter 720 ILCS 5 Section 12-3.05 (C) and asks this Honorable Court to issue this search warrant.

Based on my knowledge, experience, and training, I know that searching and seizing information from cellular phones often requires the cellular phones to be searched later by a qualified computer expert in a laboratory or other controlled environment. This is true because of the following:

Technical requirements. Searching digital evidence including cellular phones for criminal evidence is a highly technical process requiring special skills and equipment and a properly controlled environment. The vast array of computer hardware and software available requires even computer forensic examiners to specialize in some systems and applications, so it is difficult to know before a search which forensic examiner is qualified to analyze the system and its data. Furthermore, however, data search protocols are exacting scientific procedures designed to protect the integrity of the evidence and to recover even "hidden," erased, compressed, password protected, or encrypted files.

vulnerable to modification or destruction, (both from external sources or from destructive code embedded in the system as a booby trap), a controlled environment helps ensure complete and accurate analysis.

Furthermore, in my experience, and from my conversations with computer forensic examiners, cellular phone evidence can remain stored on these devices for extended periods of time. Even when digital evidence is deleted it may still be recovered from cellular phones. This information can often be recovered by a computer forensic examiner and is likely to have been generated by and remain on any computer used in this scheme.

Based on my training, experience, and investigation of this case, your Affiant believes that there is probable cause to believe that there is evidence contained within Samsung Note 8 Model: SM-N9504 [REDACTED] IMEI: [REDACTED] and seek your authorization to search therefore, and to obtain the assistance of forensic examiners or experts, as necessary.

Your Affiant is aware that while communicating on a cellular device, said cellular device needs to be connected to a cellular tower to properly operate. These cellular towers are located across the country to give the cellular device user uninterrupted communication. Your affiant is also aware that cellular service providers, such as T-Mobile, keep records of cellular device and cellular tower usage. Your affiant is aware that by analyzing these records, investigators can learn the approximate area of a cellular device, while it's in use, as well as whom the cellular device is communicating with.

Based on the above facts and being familiar with cellular phone technology, your Affiant has reason to believe that the account attached to the cellular phone number of [REDACTED] may contain records of calls made and received, subscriber and ownership information, voice mails including voice content, GPS data, cellular tower hits including cell site sector information, per call measurement data, text message and multimedia messages and other evidence that show a violation of the Illinois Compiled Statutes Chapter 720 ILCS 5 Section 12-3.05 (C) and asks this Honorable Court to issue this search warrant.

Based on my training, experience, and investigation of this case, your Affiant believes that there is probable cause to believe that there is evidence contained within this T-Mobile cellular phone account, and seek your

Jussie SMOLLETT during the attack. All of these items have been transferred to the FBI crime lab. The FBI lab is testing the original letter that was sent, as well as the rope and clothing collected, for any DNA, hair and/or fibers and fingerprints and/or palm prints that can be recovered. It is believed that [redacted] and/or [redacted] DNA and/or hair will be present in the above mentioned items.

Based on my training and experience, I have learned that a person's DNA is unique to them; that a person's DNA can be found in blood, skin cells, saliva, hair, sweat, tears, and other body secretions; and that an individual's DNA can be transferred onto items in which that person touches, licks or contacts. Your affiant knows that DNA can be used to both identify a suspect and exclude someone from being a suspect. Based on my training and experience I have learned that during a physical altercation that hair and fibers may be transferred from one individual to another.

Based on my training and experience, I have learned that a person's fingerprints/palm prints are unique to them; that a person's fingerprints/palm prints can be found on paper and are easily transferable to paper. Your affiant knows that fingerprints/palm prints can be used to both identify a suspect and exclude someone from being a suspect. Based on my training and experience I have learned that in the course of handling paper products and constructing a letter, fingerprints/palm prints may be identifiable during an examination of the item.

Based on the above information your affiant feels confident there is probable cause to believe [redacted] and [redacted] did batter Jussie Smollett on January 29th, 2019 at 341 E Lower North Water Street, Chicago, IL. 60611. Your affiant also believes that [redacted] DNA evidence will confirm or exclude him as a contributor to the violation of the Illinois Compiled Statutes Chapter 720 ILCS 5 Section 12-3.05 (C) and asks this Honorable Court to issue this search warrant

clothing. One of the unknown subjects gained Jussie SMOLLETT's attention by saying, "Empire faggot nigger." Both unknown male subjects then began to batter Jussie SMOLLETT about his face with their hands. The unknown subjects then poured a substance, now believed to be bleach, onto Jussie SMOLLETT's head area and placed a white in color rope around the neck area of Jussie SMOLLETT. Investigators learned that the two (2) unknown male subjects then fled South down New Street at which point Jussie SMOLLETT returned to his home and the Chicago Police were contacted at a later time.

Through the collection of video evidence, Investigators were able to view the subjects heading West along the Riverwalk towards Columbus Ave and then proceed up the stairs at Columbus Ave. and the Riverwalk. A short while later two individuals that match the surveillance video are seen walking up East South Water Street towards Stetson Ave. The two subjects turn right onto Stetson Ave and get into a cab in front of the Hyatt Regency Chicago Hotel. After interviewing the cab driver it was learned that one of the subjects began using his cellular phone. Using the cab's GPS it was determined the subjects were dropped off on the 3600 block of N. Marshfield Ave.

Investigators were able to track the individuals prior to the Aggravated Battery to a Taxi that let them out at the intersection of Lower Lake Shore Drive and Illinois Ave. After locating the taxi and obtaining GPS data and video footage from inside the cab as well as through the front windshield of the taxi, it was determined that the two subjects entered the taxi at 1400 N. Wells Street. From the taxi's video one of the two subjects could be seen getting out of another vehicle that was determined to be an UBER. Investigators were able to locate and interview the UBER driver who stated one of the two subjects was whispering on a cell phone during the drive. UBER records showed the pickup of the two subjects happened at [REDACTED]. The account used to order and pay for the UBER ride is registered to [REDACTED].

A search on Chicago Police CHRIS Database showed [REDACTED] used [REDACTED] as his residence. A search on LEADS 2000-Secretary of State Driver's License showed a Driver's License number of [REDACTED] with an image of [REDACTED] and listed the address of [REDACTED]. Investigators learned that while Jussie SMOLLETT was returning to his home from Subway, Jussie SMOLLETT stated, he was in communication, via his cell phone, with [REDACTED] when he was approached by two unknown male subjects in all dark clothing. One of the unknown subjects gained Jussie SMOLLETT's attention by saying, "Empire faggot nigger." Both unknown male subjects then began to batter Jussie SMOLLETT about his face with their hands. The unknown subjects then poured a substance now believed to be bleach, onto Jussie SMOLLETT's head area and placed a white in color rope around the neck area of Jussie SMOLLETT. Investigators learned that the two (2) unknown male subjects then fled in an unknown direction at which point Jussie SMOLLETT returned to his home and the Chicago Police were contacted approximately forty-five (45) minutes later.

Investigators learned through the investigation that Jussie SMOLLETT was communicating on his cellular phones during the entire incident. Investigators learned that Jussie SMOLLETT provided the contact numbers of [REDACTED] and [REDACTED] for the listed incidents. [REDACTED] provided a phone number of [REDACTED] and also stated he has been in communication via his cell phone with Jussie SMOLLETT. Through inter-departmental data bases investigators were able to determine that service provider for [REDACTED] is T-Mobile.

Your Affiant is aware that while communicating on a cellular device, said cellular device needs to be connected to a cellular tower to properly operate. These cellular towers are located across the country to give the cellular device user uninterrupted communication. Your affiant is also aware that cellular service providers, such as T-Mobile, keep records of cellular device and cellular tower usage. Your affiant is aware that by analyzing these records, investigators can learn the approximate area of a cellular device, while it's in use, as well as whom the cellular device is communicating with.

Based on the above facts and being familiar with cellular phone technology, your Affiant has reason to believe that the account attached to the cellular phone number of [REDACTED] may contain records of calls made and received, subscriber and ownership information, voice mails including voice content, GPS data, cellular tower hits including cell site sector information, per call measurement data, text message and multimedia messages and other evidence that show a violation of the Illinois Compiled Statutes Chapter 720 ILCS 5 Section 12-3.05 (C) and asks this Honorable Court to issue this search warrant

COMPLAINT FOR SEARCH WARRANT

On Saturday, January 26, 2019 at an unknown time, victim Jussie SMOLLETT received a phone call from an unidentified phone number in which an unidentified male caller stated, "Hey you little Faggot," at which point the call ended. A search of Chicago Police databases was negative for a Chicago Police record number.

On January 29, 2019, at approximately 2:00 A.M., victim Jussie SMOLLETT was physically battered on the public way at 341 E. Lower North Water St., Chicago, IL. 60611 which was reported under Chicago Police Record number JC133190. Jussie SMOLLETT initially refused medical attention, but eventually was driven by [REDACTED] to Northwestern Hospital for treatment. During the investigation of the Aggravated Battery/On The Public Way of victim Jussie SMOLLETT, investigators learned the following;

On January 29, 2019 Chicago Police responded to [REDACTED] for the report of a battery. Upon arrival, Chicago Police Officers learned that Jussie SMOLLETT had been battered about his body.

The investigation revealed the Jussie SMOLLETT lived at [REDACTED]. Furthermore, Jussie SMOLLETT had flown into Chicago O'Hare International Airport from New York on January 29, 2019 and arrived at approximately 12:30A.M. Investigators learned that Jussie SMOLLETT was then driven by [REDACTED] from O'Hare International Airport to his home at [REDACTED] and arrived at approximately 1:30 A.M. Investigators learned that Jussie SMOLLETT was hungry and walked by himself to Subway, located at 511 N. McClurg Court and ordered food. While on the way to Subway, Jussie SMOLLETT was in communication via his cell phone with one of his managers, Frank GATSON.

Investigators learned Jussie SMOLLETT stated that, while returning home from Subway, he was communicating on his cell phone with [REDACTED] when he was approached by two unknown male subjects dressed in dark clothing. One of the unknown subjects gained Jussie SMOLLETT's attention by saying, "Empire faggot Empire nigger." Both unknown male subjects then began to batter Jussie SMOLLETT about his face with their hands. The unknown subjects then poured a substance now believed to be bleach, onto Jussie SMOLLETT's head area and placed a white rope

around his neck. The two unknown male subjects then fled on foot southbound on New St. towards the Chicago River and towards the pub named Lizzy McNeill's, located at 400 N. McClurg Ct. Jussie SMOLLET subsequently returned home and the Chicago Police were contacted approximately twenty-five (25) minutes later at approximately 2:27 AM.

During this portion of the investigation, video evidence has been recovered from several locations to include, but not limited to, residential, commercial, and Chicago Police Observation Devices (POD). Since these videos are from different sources, the time stamps are approximate and individual video recordings may not be synchronized.

Investigators learned that on January 29, 2019 at approximately 1:03 A.M., two individuals initiated an Uber ride at [REDACTED]. A dark colored Toyota Highlander Uber vehicle then brought these subjects to the 1400 block of North Wells St. where the ride terminated. This information was obtained by a subpoena return from Uber. The account used to order and pay for the UBER ride is registered to [REDACTED] of [REDACTED] with a phone number of [REDACTED]. The driver of the Uber vehicle stated that one of the subjects was using his mobile device during the cab ride.

Investigators learned, from video evidence, that the two subjects exited the Uber vehicle and hailed an approaching "Sun Taxi Cab" #904 at the intersection of Schiller St. and Wells St. The two individuals entered the cab and requested to be taken to Illinois St. and Lake Shore Dr., where the vehicle arrived at approximately 1:25A.M. This information was verified by video evidence recovered from "Sun Taxi Cab" #904.

From approximately 1:25A.M. until approximately 2:03A.M., video evidence showed these same two individuals on foot in an area bordered by Lake Shore Dr. on the east, Columbus Drive on the west, Illinois St to the north, and the Chicago River to the south.

At approximately 2:04 A.M., on January 29, 2019, the two individuals battered Mr. SMOLLETT, which was just outside the view of a nearby camera. Approximately one minute later, video evidence showed the same two individuals run from the location, southbound toward the Chicago River, past the Chicago Burger Company, located at 301 E. North Water St. and westbound toward Columbus Dr. Video evidence

subsequently captured these same individuals enter "Yellow Cab Company" Taxi #1394 at the Hyatt Regency Hotel, located at 151 E. Wacker Dr. at 02:10 A.M.

Investigators obtained information from the "Yellow Cab Company," which stated the ride originated at the Hyatt Regency Hotel and terminated in the 3600 block of N. Marshfield Ave. at 02:25A.M, two minutes before Mr. SMOLLETT'S Creative Manager Frank GASTON called 911 on Mr. SMOLLETT'S behalf to report the crime. The driver of the Yellow Cab stated that one of the subjects was using his mobile device during the cab ride. Video evidence then showed these individuals exit the taxi cab in the 3600 block of North Marshfield Ave., and walk northbound on the west sidewalk out of camera view toward Grace Ave. The intersection of Grace Ave. and Marshfield Ave. is only a few blocks south from the original Uber pick up location.

Further investigation showed that [redacted] Jussie SMOLLETT is an actor who plays a character on that TV show. A photo of [redacted] was obtained from UBER as well as his driver's license. The photo of [redacted] strongly resembles one of the subjects that were seen on the Sun Taxi video. [redacted] strongly resembles the other subject in the Sun Taxi. [redacted]

Investigators served a search warrant, 19SW4819, on Jussie SMOLLETT's phones; [redacted] The returns from that search warrant revealed that SMOLLETT had approximately 20 phone calls between himself and [redacted] from January 14, 2019 through January 30, 2019. As far as the day of the battery, on January 29, 2019 at 12:49 AM, [redacted] phone number ending in [redacted] called SMOLLETT's phone number ending in [redacted] and the duration of the call was 3 minutes and 2 seconds. This was approximately 19 minutes after Smollett's plane landed in Chicago and just minutes before [redacted] ordered the UBER to set off for the crime scene. On January 29, 2019 at 7:45 PM, just less than 18 hours following the battery, SMOLLETT's phone number ending in [redacted] called [redacted] phone number ending in [redacted] and the duration of the call was 5 seconds. Based on the above facts, your Affiant has reason to believe that the seized cellular phones may contain records of calls made and received, text messages sent and received, and memory of numbers dialed and other evidence that show violation of the Illinois Compiled Statutes Chapter 720 ILCS 5 Section 12-3.05 (C) and asks this Honorable Court to issue this search warrant.

Based on my knowledge, experience, and training, I know that searching and seizing information from cellular phones often requires the cellular phones to be searched later by a qualified computer expert in a laboratory or other controlled environment. This is true because of the following:

11 02 15 1

Technical requirements. Searching digital evidence including cellular phones for criminal evidence is a highly technical process requiring special skills and equipment and a properly controlled environment. The vast array of computer hardware and software available requires even computer forensic examiners to specialize in some systems and applications, so it is difficult to know before a search which forensic examiner is qualified to analyze the system and its data. Furthermore, however, data search protocols are exacting scientific procedures designed to protect the integrity of the evidence and to recover even "hidden," erased, compressed, password protected, or encrypted files. Since digital evidence can be vulnerable to modification or destruction, (both from external sources or from destructive code embedded in the system as a booby trap), a controlled environment helps ensure complete and accurate analysis.

Furthermore, in my experience, and from my conversations with computer forensic examiners, cellular phone evidence can remain stored on these devices for extended periods of time. Even when digital evidence is deleted it may still be recovered from cellular phones. This information can often be recovered by a computer forensic examiner and is likely to have been generated by and remain on any computer used in this scheme.

Based on my training, experience, and investigation of this case, your Affiant believes that there is probable cause to believe that there is evidence contained within **iPhone Model: MO8J2LL/A**
