BOLA'S COVER LETTER

Dear Shirley Hamilton Talent:

My name is Bola Osundairo. I am an actor that resides in Chicago. I am interested in film, stage, and commercial productions. One of your talents, [REDACTED] mentioned your agency to me and how satisfied she is with her representation and how professional your team was.

As for my recent work, I have a film being released on Netflix on April 27th called "The Worst Nightmare" where I play a character with tourettes. I was also in two commercials with Marlboro and Cybex the equipment company.

Thank you for taking the time to read my cover letter and resume and I look forward to meeting the Shirley Ham fam. I am available anytime for an audition. Feel free to contact me on my cell phone at 773-946-8716.

Best Regards,

Abimbola Osundairo

Let them use that hammer thing to make sure all bones are in order. Don't ignore it cus if there is something underneath you may not even know. Go ASAP and then check again in a month if there is any pain, stiffness or whatever. Some injuries take forever to actually be detected and in the mean time they can cause major drama. May seem minor at first but it builds up trust me. I can write a book on it.
